The Marci Rogalski Pawk Scholarship is in honor of our colleague and dear friend Mrs. Marci Pawk. Marci left for her heavenly home on November 3, 2020 after a courageous battle with a rare disease. She lived each day as a member of our community, a loving daughter to Raymond and Theresa Rogalski, dedicated sister to Maria, Michael, David and Adrieann, a fun aunt to many nieces and nephews, a caring cousin to many, and loving wife and mother to Matthew, Olivia, Gabrielle, Isabella and Honey. Marci was a fabulous friend to all of us.

Marci loved and enjoyed her colleagues at Lenape Elementary, where she taught for 21 years. Teaching was her calling as she dedicated her life to being an outstanding and devoted teacher to her students.

Love for her family and friends meant the world to Marci, as her smile and laugh are remembered and missed by many.

The foundation's mission is to carry on Marci's legacy and the philosophy, "More like Marci." This belief is built around the core ideals and values of who Marci was, what she stood for, and what each of us should strive to be:

1. Kindness
2. Work Ethic
3. Generosity

**Essay Question:**

**(12 font, single spaced, at least 500 words)**

**“Let your smile change the world, but don’t let the world change your smile.” One of Marci’s many gifts was her smile. It was contagious, sincere and most importantly loving. When Marci’s family, friends, students and colleagues think of her, her captivating and beautiful smile is one of the first things that comes to mind. Marci’s daughters inherited her incredible smile and they continue to smile every day in honor of their amazing mother. Every person inherently has a gift. For your essay, please describe one of your gifts. Tell us how you realized you had this gift and how it has shaped your life and made you who you are **today**. In addition, tell us how you plan to use this gift or talent in the future to make this world a better place.**
