### Important Reminders

- 10<sup>th</sup> and 11<sup>th</sup> graders: It's almost time to start scheduling courses for next school year! Start to think about the classes you'd like to take. It's not a bad idea to talk to your parents and teachers about course suggestions for next school year. Course descriptions can be found on the Lenape Tech website.

**Juniors**, if you plan on continuing your education after high school, research the schools you're interested in to see if they require an ACT or SAT score. If so, you'll want to prepare and register for an exam this spring/summer with hopes of having your testing completed by November of your senior year. Please see the SAT/ACT test date information below.
