School Law Enforcement

Lenape Practical Nursing Program does not employ a security staff during normal hours of operation. During the regular secondary school year (approximately September – May), a security guard is available at the Lawrence Site employed by the LCCTC. Administrators in the school have the authority to enforce the policies of the school and to maintain a working relationship with State and local police agencies.

Security Awareness Programs

During orientation at the beginning of each class students are informed of a crime prevention program, of approximately 45 minutes in length. Students are informed about crime on-campus and in the surrounding

neighborhoods. Similar information is presented to new employees. Sexual Assault Prevention Programs are offered on a continual basis.

Crime Prevention Programs

Students are encouraged to become actively responsible for their personal safety. Students are encouraged to walk in groups of two or more when entering or leaving the building and parking lots. Students are encouraged to be in the building only during scheduled hours and are asked to notify the Practical Nursing office should they find it necessary to be in the building during other than regularly scheduled hours.

The possession, sale or the furnishing of alcohol on the School campus is governed by Lenape Technical School Policy and Pennsylvania Law. The possession, sale, manufacture or distribution of any controlled substance is illegal under both state and federal laws. Such laws are strictly enforced. Students and staff are referred to the *Lenape* Technical School policies regarding the Drug-Free School and Drug-Free Work Place Policy.

Sexual Assault Prevention and Response

A program presented by HAVIN, Kittanning, Pennsylvania of approximately one hour is scheduled during the first week of classes and by the Lawrence County Rape Crisis Center (LCRCC) for the New Castle Campus. The program promotes awareness of rape, acquaintance rape and other sex offenses. The program informs students of

1. Procedures to preserve evidence for the proof of a criminal offense
1. Procedures for which the alleged offense should be reported.
2. School personnel will assist the student in notifying these authorities if desired. HAVIN and LCRCC notify students of existing counseling, mental health or student services for victims of sexual assault in the school and in the community.

If you are a victim of sexual assault at this institution, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. The local law enforcement agency should be notified. The Nursing Coordinator should be informed of the incident. The Nursing Coordinator or designee will assist the student in notifying authorities, if the student requests assistance. Off-campus counseling is available through HAVIN and LCRCC.

Disciplinary Proceedings: The accused and the victim will each be allowed to choose one person who has had no formal legal training to accompany them throughout the hearing. Both the victim and accused will be informed of the outcome of the hearing. A student found guilty of violating the sexual misconduct policy could be criminally prosecuted in the state courts and may be suspended or expelled from the School for the first offense.

Sexual Offender Registration:

The Campus Sex Crimes Prevention Act (CSCPA) of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent offender Registration Act, The Jeanne Clery Act and the Family Educational Rights and Privacy Act of 1974, the Pennsylvania State Police provides a link to the Pennsylvania State Sex Offender Registry. This act requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice of each institution of higher education in the State at which the person is employed, carries a vocation, or is a student. In the Commonwealth of Pennsylvania, convicted sex offenders must register with the Sex Offender and Crimes Against Minors Registry maintained by Department of State Police.

A list of all registered sex offenders in Pennsylvania is available at www.pameganslaw.state.pa.us
