**Re: Free (complimentary) Meals to ALL students Nationwide Meal Service for 2020-2021 School Year through December 31, 2020**

Dear Parent or Guardian,

As of today, we have been approved by USDA and the Pennsylvania Department of Education (PDE)- Food & Nutrition Division for (ALL) students to receive a free complimentary breakfast and lunch funded through the USDA resulting from the COVID-19 pandemic. While students are attending classes here at Lenape Technical School, they will be able to enjoy a free breakfast and lunch to keep them healthy and focused during the day.

These complimentary meals are approved at "no charge" through December 31, 2020.

Complimentary meals will begin on Wednesday September 16, 2020. We will provide each student a complete meal with all components including fruits, vegetables, and milk. The monthly menu is available on the school web page under cafeteria.

Although students will receive free complimentary meals through December 31, 2020, parents of students eligible for free or reduced meals based on income are still encouraged to complete the Free and Reduced Meal Application for the 2020-2021 school year. Please do not complete an application if you have already received and approval notice for this year. The free and reduced program will resume again in January, unless free meal for all is extended through June 2021. Applications are accepted electronically by visiting the school website under cafeteria and then School Café. Paper applications are also available by calling the Food Service at 724-763-5928 for assistance.

We are following the CDC guidelines for proper cleaning and sanitation. We continuously follow our (SOP's) Standard Operating Procedures. Extra efforts are being applied to our kitchen and serving areas to assure safety and sanitation is exceeded. We will continue to monitor any new information coming from the state and will keep you posted.

As always, we continue to strive for excellence and place the needs of your children first, and to serve nutritious meals. For questions regarding your student's account status or cafeteria meals, please contact Mrs. Pam Adams [adampam@mylenape.net](mailto:adampam@mylenape.net).

Respectfully,

Wesley P. Kuchta  
Administrative Director
