Cooperative Education (Co-Op) Information

Cooperative education (Co-Op) is a partnership between students, schools and employers, with specific responsibilities for each. Students who meet the standards in academic and technical classes can be considered for this program. Contact Mr. Longwell during TAP for more information. You can also send him a message on TEAMS or an email at: longeri@mylenape.net. If you are successful in applying for Co-Op then you will be placed at a local employer where you will earn both money and school credit towards graduation.
