

Lenape Tech Guidance News!

April 2022

Upcoming Events at Lenape Tech

- Lenape Tech National Honor Society and National Technical Honor Society Induction Ceremony: April 5, 2022 (Congratulations! We're proud of you!)
- SkillsUSA State Competition: April 6th – 8th (Good luck to all students competing at the state level!)
- Spring Break – No School: April 15th – 18th
- NOCTI Written Exams: April 20th – April 28th (Good luck, seniors! You've got this!)

Important Reminders

- 10th graders: Student Intent Forms for next school year are overdue (the form that states whether you plan to be part-time or full-time and if you plan on staying in the same technical program or switching programs). Please complete and submit yours ASAP. If you need another copy of the form, please pick up one in the guidance office.

Seniors, the scholarship section of the Lenape Tech website continues to be updated with additional scholarships as we receive them. Recent additions are marked “**NEW**.” Don't forget to check out our list of local scholarships at [Guidance - Scholarship and Financial Aid - Lenape Technical School](#)

Juniors, if you plan on continuing your education after high school, research the schools you're interested in to see if they require an ACT or SAT score. If so, you'll want to prepare and register for an exam this spring/summer with hopes of having your testing completed by November of your senior year. Please see the SAT/ACT test date information below.

KML Carpenters' Apprenticeship Open House and Carpentry Skills Expo

- The KML Carpenters' Apprenticeship and Training Fund is holding their annual Open House and Carpentry Skills Expo. This year's event is "*Going To The Dogs*", where their Design Build Contestants will be designing and constructing custom dog houses that will be donated to local humane societies.
- Students and families are encouraged to attend as the event will showcase interest in hands-on training/careers in the following carpentry trades: commercial, heavy highway, floor covered, mill cabinet, millwright, and pile driver.
- Along with all of their crafts displaying their expertise and multiple competitions, they will also have displays promoting their vendors' various products and services. Refreshments will be provided.
 - **Date: Saturday, May 14, 2022 from 8:00 AM - 3:30 PM**
 - **Location:** Carpenters' Training Center, 652 Ridge Road, Pittsburgh, PA 15205
