Dear Students and Parents,

Congratulations Lenape Technical School Class of 2021!

I am pleased to announce our official senior portrait photography company is again Prestige Portraits by Lifetouch. Prestige Portraits takes great pride in creating memories and celebrating all that you have achieved.

Summer is the best time to be photographed because schedules are lighter and Prestige is offering some exciting summer specials to save you money.

Portraits will be taken right here at Lenape Tech!

Please refer to the link on our website concerning the COVID-19 Safety Procedures we will have in place.

For ideas about how you can personalize your portrait session, plus more information about your session, please visit www.prestigeportraits.com.

Please realize you need to have your picture taken by Lifetouch to be included in the yearbook. There is no cost to you for a yearbook only sitting and you are not required to purchase portraits. If for some reason you can't schedule an appointment during the summer, there will be a make-up day during the school year. The make-up process does not allow an opportunity for clothing changes, props, etc... so please make every effort to participate during our summer schedule.

Sincerely yours,

Jason Gurski
Principal
