

We understand that the majority of our students may need to work while they attend classes. To accommodate those students, all campus classes are offered at night. Don't let your current job and the schedule of classes discourage you for registering today!

What Education Do I Need?

With 168 hours of classroom and online based learning, and 60-80 hours of externship (*optional*)* you will gain hands-on experience. The benefits of attending the Pharmacy Technician certificate program through Lenape Tech's Adult and Continuing Education are:

- Affordability
- Program completed in just a few short months
- Small class sizes.
- PTCB Certification testing included
- Employers actively recruit from our programs

TUITION COSTS include all texts, supplies, materials, and safety gear *except as noted in fee schedule*. Class size is limited so early registration is encouraged.

REFUNDS are not given for nonattendance. An 80% refund is given if cancellation occurs prior to start of second class session. No refunds are given after start of second class session. All refunds are issued by check.

CERTIFICATES OF COMPLETION are awarded to students who successfully complete the course work and clinical rotation, as determined by the instructor, and have attended a minimum of 90% of the classroom portion and 100% of the clinical rotation requirements.

Accuracy Policy - The staff at Lenape Adult Education has made every reasonable effort to determine that information provided to you is accurate. Course and programs offered together with other matters contained herein, are subject to change without notice by the administration of Lenape Adult Education for reasons related to student enrollment, level of financial support, or for any other reason, at the discretion of the school. The school further reserves the right to add, amend, or repeal any of their rules, regulations, policies, and procedures.

The Lenape Area Vocational-Technical School, an equal opportunity employer, will not discriminate in employment, educational programs or activities, based on race, sex, handicap, or because a person is a disabled veteran or a veteran of the Vietnam era. Activities, services and facilities are accessible to handicap persons. This policy of nondiscrimination extends to all other legally protected classifications. Publication of this policy is in accordance with state and federal laws including Title IX of the Education Amendments of 1972 and Sections 503 and 504 of the Rehabilitation Act of 1973.

Get in. Get Trained. Get to work.

PHARMACY TECHNICIAN

Externship
Available!

Program Runs Twice a Year

Pharmacy Tech

Why A Pharmacy Technician?

So you're thinking about becoming a Pharmacy Technician? A pharmacy technician assists licensed pharmacists with daily pharmacy duties. Pharmacy technicians perform a variety of tasks on a typical workday, including filling, labeling, indexing, and accounting for prescriptions. Additionally, pharmacy technicians are beginning to assume more responsibilities by completing tasks previously managed by licensed pharmacists.

Pharmacy technicians are the driving force behind millions of pharmacies all over the world. Their job description includes many important duties and no two days are ever the same. Thanks to the support of pharmacy technicians, the pharmacy can run like a well-oiled machine, and the pharmacists can fulfill their responsibilities.

Blended program includes campus classes on Monday, Tuesday & Thursday evenings, as well as 2 online components.

Optional externship may require daylight hours.

PROGRAM TRAINING INCLUDES:

- **Pharmacy Technician Core Training** **84 hours**
- **Medical Law & Ethics** **18 hours**
- **Computer Skills for the Workplace (online)** **24 hours**
- **Medical Math (online)** **24 hours**
- **Workplace Culture & Environment** **12 hours**
- **Clinical Rotation **** **60-80 hours**

What Is My Occupational Outlook?

Employment of pharmacy technicians is projected to grow 12 percent from 2016 to 2026, faster than the average for all occupations. According to the U.S. Bureau of Labor Statistics, the median annual wage for pharmacy technicians was \$32,700 in May 2018.**

**<http://www.bls.gov>

*PTCB Exam testing is proctored through Pearson Vue and is scheduled by student upon completion of classroom portion of training; exam fee included in program tuition. *Externships are available for those students who make satisfactory academic progress.*
